

UK Auction Buyer's Guide

The following pages are designed to offer you information on how to buy at auction at Phillips. Our staff will be happy to assist you. The Conditions of Sale and Authorship Warranty published on our website at <https://phillips.com> also govern the auction. Bidders are strongly encouraged to read them as they outline the legal relationship between Phillips, the seller and the buyer and describe the terms upon which items are bought at auction.

A) Before The Auction

Catalogues & Catalogue Entries

Our catalogues provide information on the lots for sale at the auction and are available on our website at www.phillips.com and in hard copy. Lot details can also be viewed on the Phillips App. If you would like to purchase a hard copy catalogue for a Phillips auction, please visit our website or contact us at catalogues@phillips.com.

Catalogue entries may include the history of ownership of a work of art, as well as the exhibition history of the property and references to the work in art publications. While we are careful in the cataloguing process, provenance, exhibition and literature references may not be exhaustive. In some cases we may not disclose the identity of previous owners where we are not authorised to do so. Please note that all dimensions of the property set out in the catalogue entry are approximate.

Pre-auction viewings are open to the public and free of charge. The dates and times are published on our website at <https://phillips.com>. Our specialists are available to give advice and condition reports at viewings or by appointment.

Estimates

Pre-sale estimates are intended as a guide for prospective buyers. Any bid within the high and low estimate range should, in our opinion, offer a chance of success. However, many lots achieve prices below or above the pre-sale estimates. Pre-sale estimates do not include the buyer's premium or VAT.

Where **'Estimate on Request'** appears, please contact the specialist department for further information. As estimates can be subject to revision we suggest contacting us closer to the time of the auction.

Estimates in non-local currencies Although the sale is conducted in pounds sterling, the pre-sale estimates in the auction catalogues may also be printed in other currencies. These estimates are approximate and provided as a courtesy to our clients. The exchange rates used are those applying on the last practical date before printing the catalogue. The rates may have changed between the time of printing the catalogue and the auction.

Condition of Lots

Our catalogues include references to condition only in the descriptions of multiple works (e.g., prints). Such references, though, do not amount to a full description of condition. The absence of reference to the condition of a lot in the catalogue entry (including those accessed via QR Codes appearing in the catalogue) does not imply that the lot is free from faults or imperfections.

Solely as a convenience to clients, Phillips may provide condition reports. In preparing such reports, our specialists assess the condition in a manner appropriate

to the estimated value of the property and the nature of the auction in which it is included. While condition reports are prepared honestly and carefully, our staff are not professional restorers or trained conservators. We therefore encourage all prospective buyers to inspect the property at the pre-sale exhibitions and recommend, particularly in the case of any lot of significant value, that you retain your own restorer or professional advisor to report to you on the property's condition prior to bidding.

Any prospective buyer of photographs or prints should always request a condition report because all such property is sold unframed, unless otherwise indicated in the condition report. If a lot is sold framed, Phillips accepts no liability for the condition of the frame. If we sell any lot unframed, we will be pleased to refer the purchaser to a professional framer.

Symbols Used In The Catalogue

You may see the following symbols referenced in the catalogue.

O Guaranteed Property

Lots designated with the symbol O are the subject of a minimum price guarantee. In such cases Phillips has guaranteed to the seller of the lot that regardless of the outcome of the sale the seller shall receive no less than a minimum sum. This guarantee may be provided solely by Phillips or jointly with a third party.

◆ Third Party Guarantee

Where Phillips has agreed to a minimum price guarantee it assumes the financial risk of a lot failing to sell or selling for less than the minimum price guarantee. Because the sums involved can be significant Phillips may choose to share the burden of that financial risk with a third party. The third party shares the risk by committing in advance of the sale, usually by way of a written bid, to buy the lot for an agreed amount whether or not there are competing bidders for the lot. If there are competing bidders third party guarantors may also bid above any written bid. In this way the third-party guarantor assumes the risk of the bidding not reaching the amount of the minimum price guarantee.

In return for underwriting or sharing this risk Phillips will usually compensate the third party. The compensation may be in the form of a fixed fee or an amount calculated by reference to the hammer price of the lot. If the third-party guarantor is the successful bidder Phillips will report the purchase price net of any fees paid to the third-party guarantor.

Disclosure of financial interest by third parties

Phillips requires third party guarantors to disclose their financial interest in the lot to anyone whom they are advising. If you are contemplating bidding on a lot which is the subject of a third party guarantee and you are being advised by someone or if you have asked someone to bid on your behalf you should always ask them to confirm whether or not they have a financial interest in the lot.

Δ Property in which Phillips has an Ownership Interest

Lots with this symbol indicate that Phillips owns the lot in whole or in part or has an economic interest in the lot equivalent to an ownership interest.

● No Reserve

Unless indicated by a ●, all lots in this catalogue are offered subject to a reserve. A reserve is the confidential value established between Phillips and the seller and below which a lot may not be sold. The reserve for each lot

is generally set at a percentage of the low estimate and will not exceed the low pre-sale estimate.

Σ Endangered Species

Lots with this symbol have been identified at the time of cataloguing as containing endangered or other protected species of wildlife which may be subject to restrictions regarding export or import and which may require permits for export as well as import.

✳ Property Subject to US Import Tariffs

Lots with this symbol indicate that the Property may be subject to additional tariffs upon importation into the United States of America. See paragraph 12 of the Conditions of Sale.

Calculating the Total Purchase Price

If you are the successful bidder on a Lot, the total purchase price you pay is made up of the following elements:

The Hammer Price: This is the final, highest bid which the auctioneer accepts by bringing down the auctioneer's hammer.

Buyer's Premium: This is the commission Phillips charges the successful highest bidder and buyer of the lot. The Buyer's premium is calculated on the hammer price of the lot at the following rates on a cumulative basis:

- 26% on the portion of the hammer price up to and including £450,000; and
- 21% on the portion of the hammer price above £450,000 up to and including £4,500,000 and
- 14.5% on the portion of the hammer price above £4,500,000.

Where VAT is payable on the Buyer's premium the VAT inclusive Buyer's Premium rates are 31.2%, 25.2% and 17.4% respectively.

VAT

UK Auctioneer's Margin Scheme lots have no VAT symbol. For these lots, VAT is charged at 20% on the buyer's premium and will not be shown separately on the invoice.

Where the lot has a †, ‡ or Ω symbol against it, VAT may be charged on a different basis. For full details, including how to claim VAT refunds, please see the VAT & Tax Guide in this Auction Buyer's Guide and on our website

♣ Artist's Resale Royalty (ARR)

The laws in certain countries entitle qualifying artists or their estates to a royalty when the artist's works are re-sold for a hammer price of EUR 1,000 or more. Lots subject to ARR are marked with the symbol ♣. The ARR is calculated as a percentage of the hammer price on a cumulative basis as follows and is payable as part of the purchase price:

Portion of the Hammer Price (in EUROS)	Royalty Rate
From 0 to 50,000	4%
From 50,000.01 to 200,000	3%
From 200,000.01 to 350,000	1%
From 350,000.01 to 500,000	0.5%
Exceeding 500,000	0.25%

The total charge for ARR on any single lot cannot exceed Euros 12,500. To calculate the ARR, we use the pounds sterling/euro reference exchange rate quoted on the date of the auction by the European Central Bank.

Example

To illustrate how the purchase price is calculated, please see the below example:

UK Auctioneer's Margin Scheme lot

Hammer Price: £500,000
Buyer's Premium including VAT @20% £153,000:
Calculated as follows:
26% of first £450,000 of the hammer price = £117,000 +
21% on the balance of £50,000 = £10,500
Total BP = £127,500
VAT @ 20% on the total BP of £127,500 = £25,500

B) At The Auction

Bidding

Bids may be executed during the auction in person, by paddle or by telephone or prior to the sale in writing by absentee bid. Proof of identity in the form of government-issued identification will be required, as will an original signature and recent proof of address. We may also require that you furnish us with a bank reference.

By registering and participating in the auction, whether in person, by absentee bid, on the telephone or online, bidders represent, warrant and confirm that (i) unless otherwise expressly agreed in writing with Phillips prior to the auction, they are bidding on their own behalf and not on behalf of anyone else (ii) they will be paying the purchase price from their own funds (iii) that their participation in the auction and payment of the purchase price is lawful and shall not breach any applicable sanctions laws, and (iv) any bids placed by them, or on their behalf, are not the product of any collusive or other anti-competitive agreement and are not otherwise in breach of any applicable law, Government sanctions and other regulatory measures in force from time to time.

Undisclosed agreements between bidders to bid or abstain from bidding on lots are illegal. Please note that Phillips monitors its sales and bidding records to ensure that bidding is transparent and fair and will take appropriate action in the event of any suspected breach of this requirement.

In Person

To bid in person, you will need to register for and collect a paddle before the auction begins. New clients are encouraged to register at least 48 hours in advance of a sale to allow sufficient time for us to process your information. All lots sold will be invoiced to the name and address to which the paddle has been registered and invoices cannot be transferred to other names and addresses. Please do not misplace your paddle. In the event you lose it, inform a Phillips staff member immediately. At the end of the auction, please return your paddle to the registration desk.

By Telephone

If you cannot attend the auction, you may bid live on the telephone with one of our multilingual staff members. This service must be arranged at least 24 hours in advance of the sale and is available for lots whose low pre-sale estimate is at least £500. Telephone bids may be recorded. By bidding on the telephone, you consent to the recording of your conversation. We suggest that you leave a maximum bid, excluding the buyer's premium and VAT, which we can execute on your behalf in the event we are unable to reach you by telephone.

Online Bidding

If you cannot attend the auction in person, you may bid online via our live bidding platform. The digital saleroom is available on our website at <https://www.phillips.com/> and is optimized to run on Google Chrome, Firefox and Microsoft Edge browsers. Follow the links to 'Auctions' and 'Digital Saleroom' and then pre-register by clicking on 'Register to Bid Live.' The first time you register you will be required to create an account; thereafter you will only need to register for each sale. You must pre-register at least 24 hours before the start of the auction in order to be approved by our bid department. Please note that corporate firewalls may cause difficulties for online bidders.

Absentee Bids

If you are unable to attend the auction and cannot participate by telephone, Phillips will be happy to execute written bids on your behalf. A bidding form can be found at the back of this catalogue. This service is free and confidential. Bids must be placed in the currency of the sale. Our staff will attempt to execute an absentee bid at the lowest possible price taking into account the reserve and other bidders. Always indicate a maximum bid, excluding the buyer's premium and VAT. Unlimited bids will not be accepted. Any absentee bid must be received at least 24 hours in advance of the sale. In the event of identical bids, the earliest bid received will take precedence.

Bidding Increments

Bidding generally opens below the low estimate and advances in increments of up to 10%, subject to the auctioneer's discretion. Absentee bids that do not conform to the increments set below may be lowered to the next bidding increment.

UK£50 to UK£1,000	by UK£50s
UK£1,000 to UK£2,000	by UK£100s
UK£2,000 to UK£3,000	by UK£200s
UK£3,000 to UK£5,000	by UK£200s, 500, 800 (e.g. UK£4,200, 4,500, 4,800)
UK£5,000 to UK£10,000	by UK£500s
UK£10,000 to UK£20,000	by UK£1,000s
UK£20,000 to UK£30,000	by UK£2,000s
UK£30,000 to UK£50,000	by UK£2,000s, 5,000, 8,000
UK£50,000 to UK£100,000	by UK£5,000s
UK£100,000 to UK£200,000	by UK£10,000s
above UK£200,000	at the auctioneer's discretion

The auctioneer may vary the increments during the course of the auction at his or her own discretion.

Conditions Of Sale

The auction is governed by the Conditions of Sale and Authorship Warranty which are available on our website. All prospective bidders should read them carefully. They may be amended by saleroom addendum or auctioneer's announcement.

By registering for the Auction, bidders accept the Conditions of Sale and Authorship Warranty.

Interested Parties Announcement

In situations where a person allowed to bid on a lot has a direct or indirect interest in such lot, such as the beneficiary or executor of an estate selling the lot, a joint owner of the lot or a party providing or participating in a guarantee on the lot, Phillips will make an announcement in the saleroom that interested parties may bid on the lot.

Consecutive And Responsive Bidding;

The auctioneer may open the bidding on any lot by placing a bid on behalf of the seller. The auctioneer may further

bid on behalf of the seller up to the amount of the reserve by placing consecutive bids or bids in response to other bidders.

No Reserve Lots

If a lot is offered without reserve, unless there are already competing absentee bids, the auctioneer will generally open the bidding at 50% of the lot's low pre-sale estimate. In the absence of a bid at that level, the auctioneer will proceed backwards at his or her discretion until a bid is recognized and will then advance the bidding from that amount. Absentee bids on no reserve lots will, in the absence of a higher bid, be executed at approximately 50% of the low pre-sale estimate or at the amount of the bid if it is less than 50% of the low pre-sale estimate. If there is no bid whatsoever on a no reserve lot, the auctioneer may deem such lot unsold.

C) After The Auction

Payment

Payment is due immediately following the auction, unless other arrangements have been agreed with Phillips in writing in advance of the sale. Interest will be charged on late payment at the rate of 12% per annum.

Payments must be made by the invoiced party in pounds sterling and may be sent by wire transfer. Our account details are available on our website. Please reference the relevant invoice number when making payment.

Alternatively, payment can be made by credit card for invoices of £30,000 or less per auction. We accept American Express, Visa, MasterCard and UnionPay (UnionPay for in person transactions only).

Title to each lot will not pass until the buyer has made full payment of the Purchase Price plus any applicable Artist Resale Royalty and all applicable taxes.

Collection

Once Phillips has received full and cleared payment of the total purchase price for the lot and any other amounts the buyer owes to Phillips, lots will be released for collection. To collect paid for lots buyers (or their authorised representatives) must provide proof of identity. Authorised Representatives should also bring a copy of a letter signed by the buyer authorising them to collect. Smaller items may be collected from our London gallery on the day of the auction. Please check with our staff when making payment.

After the auction, lots will be transferred to offsite fine art storage facilities. The buyer information pack you will receive after the auction will confirm details of the storage facility where your lot is held for collection. Please contact us to make arrangements for collection.

Storage Charges

Lots will be held for collection from our offsite storage facilities for thirty (30) days after the auction free of charge. Storage charges and property release fees will apply after this 30-day period for any lots which have not been collected. Details of the applicable storage charges will be confirmed to you in the buyer information storage pack you will receive after the auction.

Loss or Damage

Buyers are reminded that Phillips accepts liability for loss or damage to lots for a maximum of seven (7) days following the auction.

Transport and Shipping

We will coordinate with shipping agents instructed by you in order to facilitate the packing, handling and shipping of property purchased at Phillips. Please refer to Paragraph 7 of the Conditions of Sale for more information. As a free service for buyers, Phillips will wrap purchased lots which are for hand carry only. We do not provide packing, handling or shipping services directly.

Export and Import Licenses

Before bidding for any property, prospective bidders are advised to make independent enquiries as to whether a licence is required to export the property from the United Kingdom or to import it into another country. It is the buyer's sole responsibility to comply with all import and export laws and to obtain any necessary licences or permits. The denial of any required licence or permit or any delay in obtaining such documentation will not justify the cancellation of the sale or any delay in making full payment for the lot.

Buyers should note that the export of items offered for sale in this Auction to certain countries (including Russia and Belarus) may be prohibited pursuant to Government sanctions and other regulatory measures in force from time to time.

Endangered Species

Items made of or incorporating plant or animal material, such as coral, crocodile, ivory, whalebone, Brazilian rosewood, rhinoceros horn or tortoiseshell, irrespective of age, percentage or value, may require a licence or certificate prior to exportation and additional licences or certificates upon importation to the US or to any country within or outside the European Union (EU). Please note that the ability to obtain an export licence or certificate does not ensure the ability to obtain an import licence or certificate in another country, and vice versa. We suggest that prospective bidders check with their own government regarding wildlife import requirements prior to placing a bid. It is the buyer's sole responsibility to obtain any necessary export or import licences or certificates as well as any other required documentation. Please note that the US prohibits the importation of any item containing African elephant ivory. Asian elephant ivory may be imported in to the US only if accompanied by independent scientific analysis regarding continent of origin and confirmation the object is more than 100 years old. We have not obtained a scientific analysis on any lot prior to sale and cannot indicate whether elephant ivory in a particular lot is African or Asian elephant. Buyers purchase these lots at their own risk and will be responsible for the costs of obtaining any scientific analysis or other report required in connection with their proposed import of such property into the US.

With regard to any item containing endangered species other than elephant ivory, an importer into the US must provide documented evidence of the species identification and age of an object in order to demonstrate that the object qualifies as an antique. This will require the buyer to obtain an independent appraisal certifying the species of endangered material on the object and certifying that the object is not less than 100 years of age. A prospective buyer planning to import an object into the US may not rely on Phillips cataloguing to establish the species of endangered material on the object or to establish the age of the object and must consult with a qualified independent appraiser prior to placing a bid on the

lot. Please note that lots containing potentially regulated plant or animal material are marked as a convenience to our clients, but Phillips does not accept liability for errors or for failing to mark lots containing protected or regulated species.

Privacy

Our Privacy Policy is available at <https://phillips.com> or by emailing dataprotection@phillips.com and sets out: (i) the types of personal data we will or may collect and process; (ii) the purposes for which we will or may process your personal data; (iii) the lawful bases we rely on when processing your personal data; (iv) your rights in respect of our processing of your personal data; and (v) various other information as required by applicable laws.

Phillips' premises, sale, and exhibition venues are subject to CCTV video surveillance and recording for security, client service and bid monitoring purposes. Phillips' auctions will be filmed for simultaneous live broadcast on Phillips' and third-party websites and applications.

Important Notices

Identification of Business or Trade Buyers

As of January 2010, Her Majesty's Revenue & Customs ("HMRC") has made it an official requirement for auction houses to hold evidence of a buyer's business status, due to the revised VAT rules regarding buyer's premium for lots with symbols for businesses outside the UK.

- Where the buyer is a non-EU business, Phillips requires evidence of the business status by means of the company identification, Certificate of Incorporation, Articles of Association or government-issued documents showing that the company exists.

- Where the buyer is a UK or EU VAT registered business, Phillips requires the business's VAT registration number. These details can be scanned and emailed to us. If we do not hold this and other information which may be required, including as stated in the UK Tax Guide below, we will be unable to cancel/refund any applicable VAT.

Upholstered furniture

Lots of upholstered furniture manufactured in 1950 or after may not comply with the levels of fire resistance for domestic upholstered furniture under the Furniture and Furnishings (Fire) (Safety) Regulations 1988 (as amended) (the "Regulations"). These items are sold as decorative works of art and should not be used in your home as domestic furniture, unless they are reupholstered, re-stuffed or recovered (as appropriate) with materials complying with the Regulations. Please speak to a specialist before the sale for information on whether the lots have been recently upholstered.

Electrical and Mechanical Lots

All lots with electrical and/or mechanical features are sold on the basis of their decorative value only and should not be assumed to be operative. It is essential that, prior to any intended use, the electrical system is verified and approved by a qualified electrician.

UK Tax Guide

This Guide outlines the Value Added Tax (VAT) treatment of Lots sold in our London auctions. It covers the most common types of transactions, although other situations may arise. We offer this information solely as a courtesy. As every buyer's situation is different, we cannot offer specific tax advice. You are advised to and are responsible for obtaining independent tax advice where necessary.

The VAT rates and conditions are correct at the time of publication but can change. If the VAT rates and conditions change between the date of publication and the auction date, the rates and conditions in force at the time of auction will apply. Where Lots move from one tax status to another following purchase, the rates and conditions in force at the time of that movement will apply.

Depending on the status of the lot, and your status as a buyer, VAT may be charged on the hammer price, the buyer's premium or both.

Types of Lots and their VAT Treatment

UK Auctioneer's Margin Scheme Lots

Second-hand goods qualifying for treatment under UK Auctioneer's Margin Scheme rules have no VAT symbol and are treated as follows:

VAT Symbol	Taxation basis	VAT Treatment
No symbol	UK Auctioneer's Margin Scheme sale	20% in lieu of VAT on the buyer's premium*. (The invoiced buyer's premium will include the VAT).

*For items not normally subject to VAT (e.g. books), the rate of VAT will be 0% and no charge in lieu of VAT will be made.

Lots with Special VAT Treatment

If the Lot has one of the below symbols, the VAT treatment will be as follows:

VAT Symbol	Taxation basis	VAT Treatment
†	Standard UK VAT rules	20% VAT charged on both the hammer price and buyer's premium
‡	Lot under Temporary Admission (Low rate)	5% import VAT on the hammer price** and 20% in lieu of VAT on the buyer's premium
Ω	Lot under Temporary Admission (High rate)	20% import VAT on the hammer price** and 20% in lieu of VAT on the buyer's premium

** UK VAT registered buyers - Please give Phillips' shipping department your VAT details so the import paperwork correctly identifies your business as the importer. The Import VAT shown on the invoice is insufficient evidence of import VAT paid.

Exporting Lots from the UK

The following types of VAT may be cancelled or refunded by Phillips if the Lot is exported from the UK within the time limits specified below provided other strict conditions are met (see Conditions for Claiming VAT Refunds below). Since 1 January 2021, exports from the UK includes exports to businesses and individuals in the European Union.

VAT Symbol	Taxation basis	VAT which may be cancelled or refunded if Lot exported	Time limits for exportation	Proof of export documentation required
No symbol	UK Auctioneer's Margin Scheme	UK Auctioneer's Margin Scheme	3 months from the sale date	Original correct paperwork stamped by HMRC (UK tax authority) showing the Lot has been exported from the UK within 3 months of the sale date
†	Standard UK VAT rules	20% VAT charged on the hammer price NB: No refund is possible for the 20% VAT charged on the buyer's premium	3 months from the sale date	Original correct paperwork stamped by HMRC (UK tax authority) showing the Lot has been exported from the UK within 3 months of the sale date
‡	Lot under Temporary Admission (Low rate)	5% import VAT on the hammer price and 20% in lieu of VAT on the buyer's premium	30 days from payment	Original correct paperwork stamped by HMRC (UK tax authority) showing the Lot has been exported from the UK within 30 days of payment <i>Please liaise with Phillips' Shipping Department to ensure the export is handled correctly</i>
Ω	Lot under Temporary Admission (High rate)	20% import VAT on the hammer price and 20% in lieu of VAT on the buyer's premium	30 days from payment	Original correct paperwork stamped by HMRC (UK tax authority) showing the Lot has been exported from the UK within 30 days of payment <i>Please liaise with Phillips' Shipping Department to ensure the export is handled correctly</i>

Cancelling UK VAT charges upon export

Provided a buyer instructs a Phillips authorised carrier to export the Lot and accepts the export quotation provided by that authorised carrier, Phillips can issue a "Zero-rated" invoice (i.e. without the UK VAT).

Export arrangement

Lot exported using a Phillips' authorised carrier

Note: Phillips will obtain the required proof of export paperwork directly from its authorised carrier

Conditions for cancellation of UK VAT charges

Buyer must at or before the time of invoicing:

- instruct a Phillips' authorised carrier to export the Lot; and
- accept the export quotation provided by that authorised carrier

Refunding UK VAT charges following export

If a buyer instructs a carrier who is not a Phillips authorised carrier, the buyer must pay for the Lot in full, including the UK VAT. Upon receiving satisfactory proof of export (i.e. copies of the required export documentation and declarations accepted by HMRC) Phillips can refund the buyer the UK VAT paid.

Export arrangement

Lots exported using a carrier who is not a Phillips authorised carrier

Note: Carriers who are not Phillips authorised carriers must collect copies of original import papers for the Lot from Phillips' Shipping Department.

Conditions for refund of UK VAT charges

- Buyer must have paid the UK VAT in full
- Lot must have been exported within the required timeframe (see Exporting from the UK above)
- Phillips' must have received satisfactory proof of export once all export documentation and declarations have been accepted by HMRC.
- VAT to be refunded must be £50 or more per shipment
- A processing fee of £20 (plus any applicable VAT) will apply.

Please Note:

- We cannot refund the UK VAT paid if the export documents do not comply exactly with governmental regulations.
- If the Lot is under Temporary Admission in the UK (i.e. with ‡ or Ω, symbol) and is imported to the UK after purchase (i.e. collected by the Buyer in the UK), before then being exported, we cannot refund the UK VAT.

Local tax charges and duties in the Delivery Destination

Buyers from outside the UK should note that upon importing Lots to their final destination outside the UK, local import VAT, import duties, sales taxes and/or use taxes may be payable. Please consult your local tax advisor.

Lots under Temporary Admission being exported for repair, restoration or alteration

If you purchase a Lot which is under Temporary Admission (indicated by a ‡ or Ω symbol) and intend to export it from the UK for repair, restoration or alteration, please notify Phillips' Shipping Department before collection. The Lot will need to be transferred from Temporary Admission to another appropriate customs procedure to allow the repair, restoration or alteration to be carried out. The third-party carrier you appoint to handle the transport will need to liaise with Phillips' shipping department to ensure this customs movement is correctly declared. Failure to do this may result in the UK import VAT becoming payable immediately and Phillips being unable to refund the UK VAT charged. You are advised to obtain independent advice on this prior to bidding.

Buyers wishing to hand-carry Lots

If you collect the Lot from Phillips in the UK with a view to "hand-carrying" it back to its final destination, you must pay the UK VAT in full. Phillips cannot cancel or refund the UK tax in these circumstances. Please note that with the abolition of the Tax-free shopping scheme for visitors to the UK, it is no longer possible to obtain tax refunds at UK airports upon departure.

Business buyers located outside the UK

If you are a business located outside the UK and buy a Lot in a UK sale for a business purpose, you may be able to seek repayment of certain taxes from HMRC (the UK tax authority) directly (e.g. the UK Import VAT charged on the hammer price if the purchased Lot is under Temporary Admission in the UK). Claim forms (VAT65A) are available from the HMRC website: <https://www.gov.uk>. You should submit claims for refund of UK VAT to HMRC no later than six months from the end of the 12-month period ending 30 June (e.g., claims for the period 1 July 2020 to 30 June 2021 should be made no later than 31 December 2021)

UK Buyers

Phillips cannot cancel or refund any UK VAT charged on sales made to UK buyers where the Lot is collected from Phillips in London or delivered to a UK address.

For Lots sold under the UK Auctioneer's Margin Scheme (which do not bear a symbol), UK buyers who have a UK VAT registration may request us to reinvoice the purchase of these Lots under standard UK VAT rules. In this way the UK VAT registered buyer can reclaim all UK VAT charged as part of their accounting for VAT. Please note that UK VAT registered businesses or organisations who request to be reinvoyed under standard UK VAT rules, will then not be able to sell the Lot under any UK Margin Scheme rules in the future.
