“The watches donated for HSNY's 2022 auction are amusing, exciting, historical and most of all - meaningful,” said HSNY Executive Director Nicholas Manousos. “The proceeds from the generosity of the donors and bidders will go a long way towards ensuring the success of watchmaking students, and I encourage everyone to bid with that in mind.”

Paul Boutros, Phillips’ Head of Watches, Americas, adds, “We are honored and delighted to once again support HSNY’s efforts that continue to advance watchmaking science and culture in the United States. One hundred percent of the proceeds from the sale of each watch, including Phillips’ buyers’ premium, will benefit HSNY’s educational programs, scholarships, and watchmaking school awards.”

In April 2022, HSNY held its annual [Gala](#) — a tradition that dates back to the Society’s start in 1866 — where Phillips’ Watches Head of Sale & International Specialist, Vice President, Isabella Proia auctioned off the Society’s first ever [lifetime membership card](#). With multiple world records, including for a Rolex wristwatch, vintage Patek Philippe wristwatch, and Omega wristwatch sold at auction, Phillips achieved \$209.3 million in 2021, the most successful year for any auction house in watch auction history. In 2019, the auction house opened Phillips PERPETUAL, a private sale program with physical and digital storefronts that offers a highly curated selection of watches sold at fixed prices.
