Dina Amin, Head of 20th Century & Contemporary Art, Europe: “This is a historic result for Phillips as our 20th Century & Contemporary Art team achieved the highest sale total in the history of the company. Our total of £97.8 million exceeds last year’s result by almost seven times, an incredible achievement and a testament to the amazing team we have assembled at Phillips. Led by two Modern masterpieces, Picasso’s *La Dormeuse* and Matisse’s *Nu allongé I (Aurore)*, tonight’s results highlight our strategy to expand deeper into the 20th century and firmly establish us as the destination for 20th Century & Contemporary Art. Our terrific showing was bolstered by a world-record price for Mark Bradford’s *Helter Skelter I*, an astonishing work by one of the greatest painters of our time. It was truly a great night.”
